
All you need to know about the Pharmacy Card

Besser Barmenia. Besser leben.

Pharmacies in the U.S.A. frequently offer discounts to the holders of pharmacy discount cards. When presenting this card, the pharmacies will grant the holder discounts on a range of medicines.

In cooperation with our U.S. partner Global Medical Management Inc. (GMMI), we offer the Pharmacy Card for use by persons traveling to and within the U.S.A. The available discounts range from 10 to 75%. You can complete the details for your personal Pharmacy Card at http://pharmacycard.org and conveniently print your card from your home, office or hotel. This service is completely free of charge for you. Our website also offers additional information on using the card (i.e. pharmacies accepting the card and close-by pharmacies offering special discounts).
